

# IRUDIKA TRAVEL GUIDE

Irudika 2020 travels the length and breadth of the world to bring you exclusive content from Uruguay, France and Quebec. A unique virtual edition with access to the programme exclusively for those who have registered.

We have prepared content from different studios, workshops or bookstores in dozens of cities and villages and we will be premiering it during the days of celebration of **Irudika, from 29th to 31st October**. After these 3 days there will also be the opportunity to participate in the professional meeting via 1-to-1 video calls.

The Irudika Community will be present through a public gallery with your work, agent profiles, publishers and all the people who will be participating in this unique edition. You will be able to contact the rest of the members of the Community, get to know each other and develop future journeys, encounters and a good life.

## CREATE YOUR PROFILE IN THE IRUDIKA COMMUNITY

When you make your purchase, you will receive an email to validate your account. From here, you will be able to access your Personal Area from where you will see and be seen by the rest of the Irudika Community.

From here, you will be generating your profile in the **Irudika Community** with information about your work, links to websites or networks and a sample of 5 pieces of your work. This is a **public profile accessible to everyone from irudika.eus** and will function as your space within the Community. You can edit it as many times as you like from your personal area.

We have marked different professional fields, year of beginning of activity, etc, so that other people can search around their interests. **Our advice is that this space should be as close to reality as possible, so that it will be a useful tool for agents, professionals and people interested in illustration.**

**Bear in mind that several languages coexist within the Community.** You can write about your work in the languages you speak or think about translating part of it so that people from other countries can know more about you.

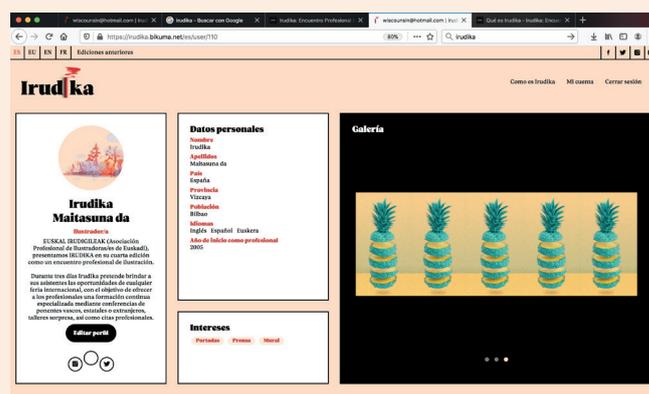

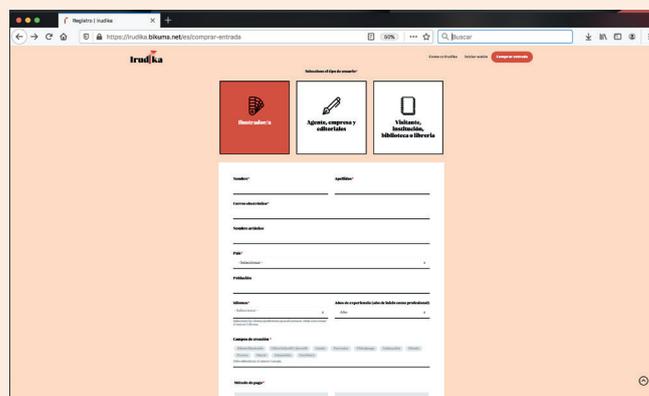

## ACCESS YOUR PERSONAL AREA

This will be the space where things happen. From this Area you will be able to consult the content that we have prepared on our visits to Uruguay, France, Quebec and the Basque Country. You will also be able to request professional appointments with different agents and consult your personal letterbox with which you will be able to communicate with the rest of the people in the Irudika Community.

From here, you will be able to edit your public profile as many times as you wish, as well as visit the gallery with the rest of the artists and agents of the Community.

We recommend that you stay logged in, enable the “Remember password” option on your browser or save your credentials to be able to access the gallery from any device. **Your email address and password are the key to Irudika 2020.**

## WHEN AND WHERE CAN I SEE THE CONTENT OF IRUDIKA?

The videos with all the content of Irudika 2020 will be released between 29th and 31st of October and you will have access to them for one month from your Personal Area.

During the live premiere of the content, you will be able to see what other people are online and comment live on issues related to the interviews and content that will be broadcast via the Irudika Chat.

## HOW DO I REQUEST MY PROFESSIONAL APPOINTMENTS?

This year you will also have the opportunity to request professional appointments with professionals and agents who make up the Irudika 2020 line up. **Through your Personal Area, you will be able to select who you are interested in meeting.** These people will receive your profile of the Irudika community and, after receiving all the applications, they will make a selection of illustrators with whom they will have an appointment by video call. A golden opportunity for revisions, new projects or the resolution of professional doubts. **Prepare your profile well and send your applications from 1st to 5th November.**

With the selection of profiles made by the agents, you will receive a message with your appointments, with a day and time assigned from 15th November. Along with this information, you will see a link that will correspond to the video call. If you have a bad memory, don't worry, you can check your appointments as often as you like from your Personal Area. We will also send reminders to your email.

When the time comes, all you have to do is access the Professional Appointments panel in your Area and click on the link that will open the video call system. You will have 15 minutes for your appointment via jitsi. Please check that both your camera and microphone are working.

The appointments will take place from 23rd to 27th November. It is very important that you try to make room in your diary for this personal appointment. If it is totally impossible due to a scheduling problem, you can contact Irudika and we will try to make it possible.

## YOUR PERSONAL BOX (You have a message!)

Irudika is contact and so we wanted to keep it in this unique virtual edition. In addition to the professional appointments, we have designed an internal messaging system with which you can talk to the rest of the people participating in the meeting.

Surf the Community search engine and, if a profile interests you or you want to talk to any of the people you have discovered, click on the Message icon and get in touch. You will be able to consult answers and messages from your Personal Area. Don't forget that this is a personal and private tool, so we recommend that you respect other people's space and the option not to respond.

\* Available from October.

## CONTACT WITH IRUDIKA

For any doubt, suggestion or incidence, you have our e-mail at your disposal. You can contact our profile within the Community or [info@irudika.eus](mailto:info@irudika.eus).

See you in Irudika!
